

Vale of Evesham School

# ECO SCHOOLS CODE

1. We respect and value our environment locally and worldwide
2. Our loyalty to preserving our own school environment is taken seriously
3. We will strive to make a difference in the right way to our world, locally and worldwide

Our school is committed to the ECO schools code.  
Led by our ECO warriors, the pupils of the ECO school council, we address such matters as:

- Waste minimisation
- Energy
- Water
- Transport
- Healthy living
- School grounds

# Eco Schools Code

1. We respect and value our environment locally and worldwide
2. Our loyalty to preserving our own School environment is taken seriously
3. We will strive to make a difference in the right way to our world, locally and worldwide

Our School is committed to the ECO Schools Code.

Led by our ECO Warriors, together with the pupils of the ECO School Council, we address such matters as:

1. Waste minimisation
2. Energy
3. Water
4. Transport
5. Healthy Living
6. School Grounds
