## **Spending during the period 03/14 to 03/15**

### Provision

- 1:1 tuition provided by a reading intervener: estimated £4000

### Training

- ELKLAN training £1100

### Resources

- Chatterbooks £90
- Speaking and listening books £80
  - Reading now books £31
  - Numicon sets £470
- YARC Reading materials £600

### **Outcome goals:**

Focus on Speaking and listening -

1. Increased number of students achieving expected progression
2. More than 40% students achieve aspirational targets over the year

### **Reflection on effectiveness:**

In speaking and listening 64% of students achieving expected progression in Spring term 2014 rose to 76% in Spring term 2015.

In speaking and listening 59% of students achieved aspirational targets over the year.

The investment in speaking and listening and SALT resources and training had a significant effect. The investment has been directed towards the Year 7 students but we hope that the training components will have a wider impact.
