

Vale Of Evesham Nursery and 4Children Stay and Play sessions

Our Stay and Play sessions offer parents and carers an opportunity to meet with other parents /carers and share ideas in a friendly and supportive environment. Our experienced team can offer advise on all areas of child development. We will model activities and strategies for parents to use at home around:

- **Play** -Early play skills including developing turn taking and exploring the play environment
- **Communication** - signalong, visual support and developing language
- **Sensory exploration** - messy play and sensory room
- **Behaviour management** strategies and ideas

These sessions would be valuable for any families with children that have a suspected difficulty or delay in Personal social emotional , physical , cognitive or communication development.

If you have any queries as to whether a child would meet criteria to attend please contact Jane Osborne or Kelly Pearce on **01386 443367**.

Sessions run from 1.15 -2.30pm on Thursdays (term time only.) .Dates can be found on the Vale Of Evesham school website.

We also offer 'Time to Talk' sessions every third week. These are dedicated sessions for parents/carers to talk together about any concerns around a variety of issues such as :

- Food
- Sleep
- Behaviour
- Social Acceptance

During these sessions we run a crèche in the nursery staffed by our regular Stay and Play team.

This a great opportunity to meet others in a relaxed setting. There is always a warm welcome, hot drink and cake on offer!
