

Starting Spring Term 2015

Does your child need help with:

- Communication
- Managing their Emotions and learning self control.
- Developing their Independence Skills
- Problem Solving

If you have answered YES to ONE or MORE of the above then Steeping Stones: A Positive Parenting Program is a FREE course to HELP you and your FAMILY. Any family member who has **significant input** into your child's care and development welcome.

Steeping Stones offers PRACTICAL PARENTING STRATEGIES to manage BEHAVIOUR. It is a free **TEN week** course which involves attending **SEVEN** sessions at Two and Half hours each.

We need to know if a daytime or evening course would be more popular so please fill in the

Expression of Interest slip below. Unfortunately we are unable to offer childcare on the program.

Places are LIMITED and the program is POPULAR so places are offered on a FIRST COME basis

"A Program with TACTICS that REALLY DO WORK!!!"

We need to know if a daytime or evening course would be more popular so please complete your expressions of interest form below and return to **school** by **FRIDAY 11th December 2015** marked for the attention of Jane Osborne who will contact you to answer any questions.
