

# Talkabout

By Wendy Cook  
Specialist Communication Teaching  
Assistant.

Talkabout is a programme all about developing pupil's self- esteem and social communication skills.

Last year we successfully introduced Talkabout in upper school.

We followed topics on;

1. Likes and dislikes
2. People in my life
3. The way I look
4. What am I like?
5. My qualities and strengths
6. Things that make me feel good
7. The way I feel
8. I am great

The intervention built up the students' self-esteem and self awareness by looking at non verbal behaviour, verbal behaviour, friendship skills and assertiveness skills. Due to the positive effect on the student's ability to interact with others peers in an effective and appropriate way, we have introduced Talkabout to other key stages.
