

The Vale of Evesham School - Key Stage 4 and 5

Upper school consists of two Key Stage 4 classes and two 6th form classes – there is a main group and a “complex needs” group in each. We have 23 students in Key Stage 4 and 26 students in Key Stage 5.

At Key Stage 4 the students study curricula that are highly personalized. Their achievements are certificated at an appropriate level through BTECs, Entry Levels and PPQ qualifications.

The subjects studied include English, Maths, Science, IT, Horticulture, Food Technology, PE, Design and Technology, Forest School, PSHE, Citizenship and Work Related Learning.

At Key Stage 5 there is a change in emphasis to preparing for transition from school. Students study English and Maths, complete any outstanding qualifications from Key Stage 4, as well as Forest School, Work Related Learning, Enterprise + Careers, Independent Living Skills, Sport and Leisure and Duke of Edinburgh’s Award.

Students in both Key Stages work closely with our Careers team to support their transition goals through careers work and work experience.

Accredited courses currently offered in Key Stage 4 and 5:

- AQA Unit Award Scheme
- ASDAN Personal Progress Qualification at Entry Level
- ASDAN Award or Certificate in Personal and Social Development
- AQA Entry Level Certificate in English (4790)
- AQA Entry Level Certificate in Maths
