

1. CHILDNET RESOURCES AND WEBSITES

Childnet: Childnet International is a non-profit organisation working in partnership with others around the world to help make the internet a great and safe place for children. The Childnet website hosts all the online resources detailed below, as well as a number of recommended resources for young people, parents, carers and teachers. The **Teachers and Professionals** area also contains key advice, information on reporting and detailed information on a range of e-safety topics in the **Hot topics** section.

www.childnet.com

UK Safer Internet Centre: Childnet is part of the European Commission appointed UK Safer Internet Centre. Together with partners the **Internet Watch Foundation** and the **South West Grid for Learning**, we raise awareness about internet safety, develop information materials and resources and organise high profile events such as Safer Internet Day. You can access a range of resources from across the UK, Europe and wider afield at www.saferinternet.org.uk.

Cyberbullying: Understand, Prevent and Respond: Childnet's guidance is designed to support schools in understanding, preventing and responding to cyberbullying incidents involving pupils. Guidance is also included for supporting school staff with incidents.

www.childnet.com/cyberbullying-guidance

Crossing the Line PSHE Toolkit: A practical toolkit for educators of 11-14 year olds containing films and lesson plans to explore online issues such as cyberbullying, sexting, peer pressure and self-esteem. Crossing the Line is a PSHE Association Quality Assured Resource.

www.childnet.com/pshetoolkit

Trust Me: A resource created to support teachers in exploring critical thinking online. It contains lesson plans for both primary and secondary age groups based around the concept of trust and the importance of thinking critically about content on websites and social media, as well as communication online. This resource was created in partnership with London Grid for Learning.

www.childnet.com/trustme

Childnet Digital Leaders Programme: The Childnet Digital Leaders Programme aims to empower young people **aged 11-18 years** to champion digital citizenship and digital creativity within their schools and to educate their peers, parents and teachers about staying safe online.

It offers pupils an exciting online community, structured training and ongoing support from Childnet's expert team, helping make e-safety learning fun and effective and helping schools work towards an outstanding whole school community approach to e-safety.

www.childnet.com/digital-leaders

STAR Toolkit: A free resource created for KS3 & 4 educators working with young people with autism spectrum disorder. The toolkit provides practical advice and teaching activities and can be freely edited to suit the specific needs of individual young people.

www.childnet.com/star

Be Safe and Smart Online: Created in partnership with The National Deaf Children's Society, these resources are designed to help and support deaf young people and their parents, carers and teachers to help them stay safe online.

www.childnet.com/resources/be-safe-and-smart-online

2. OTHER RESOURCES, ACTIVITIES & LESSON PLANS

Safer Internet Day: A free schools pack is produced every year for Safer Internet Day based on the theme that year. There are packs for Primary, Secondary and Parents/Carers. Each pack includes an assembly and script, lesson plan, quick activities and promotional materials. This year's pack and previous packs can be downloaded from the UK Safer Internet Centre site.

www.saferinternetday.org.uk

Think U Know: A website run by CEOP that contains information for children, parents and teachers, as well as a link for children to report abuse online. The teacher/trainer section requires sign up to access and download the resources.

www.thinkuknow.co.uk

Digital Literacy and Citizenship: The South West Grid for Learning have created free digital literacy and citizenship schemes of learning for all year groups from EYFS to KS4. These include medium term plans, individual lesson plans and links to online resources and activities.

www.digital-literacy.org.uk

E-Safety in the Computing Curriculum: This free guide produced by Childnet provides further detail to the e-safety themes outlined in the computing curriculum and signposts to free high quality resources that can be used to educate pupils on a range of online safety issues.

www.childnet.com/resources/esafety-and-computing

3. SOCIAL NETWORKING

Young People & Social Networking Sites: Aims to help parents understand the positive and creative ways young people are using social networking spaces (e.g. Facebook, Twitter and Instagram). It also points out the potential risks of using these sites and ways to minimise these risks.

www.childnet.com/sns

Social Network Checklists: Free guides produced by the UK Safer Internet Centre that contain detailed instructions and information on privacy and account settings on Facebook, Twitter, Snapchat and Instagram. www.saferinternet.org.uk/checklists

Safety Tools on Social Networks and Other Online Services:

Information and advice on the safety tools, age requirements and terms and conditions for a variety of online services popular with young people.

www.saferinternet.org.uk/safety-tools

4. PROFESSIONAL REPUTATION

Professional Reputation: A guide about your personal use of social networking sites; keeping you, the young people you work with, and your job safe.

www.childnet.com/professional-reputation

Using Technology: A guide to help you use technology safely and responsibly, whether in your work with young people or at home.

www.childnet.com/using-technology

5. ADVICE ABOUT SEXTING

So You Got Naked Online...: A practical help guide for young people who are worried about images or videos they have taken of themselves or others which are available on the internet.

www.swgfl.org.uk/sextinghelp

6. WHOLE SCHOOL DEVELOPMENT

360 Degree Safe: A free self review tool to help schools review and develop their e-safety policy and practice. Sign up is required.

www.360safe.org.uk

7. WHERE TO REPORT

Need help? Information about responding to disclosures from pupils and information on where to report online concerns such as cyberbullying, inappropriate content or illegal behaviour.

www.childnet.com/teachers-help

Professionals Online Safety Helpline: The UK Safer Internet Centre has been funded by the European Commission to provide a Helpline for professionals who work with children and young people in the UK, specifically tackling the area of e-safety. helpline@saferinternet.org.uk

0844 381 4772

Child Exploitation and Online Protection (CEOP): A police agency tackling child abuse on the internet. This website includes a unique facility that enables parents and young people to make reports of actual or attempted abuse online.

www.ceop.police.uk

Internet Watch Foundation: Part of the UK Safer Internet Centre, the IWF is the UK's hotline for reporting illegal content found on the internet. It deals specifically with child abuse and criminally obscene images hosted in the UK and internationally.
