Our New Garden

On the 6th and 7th June volunteers from Marks and Spencers in Evesham kindly gave up their time to come and make improvements to the Walton Suite Garden. They raised money to purchase new benches and materials, refurbished our decking and patio area. They also removed walls and shrubs to open up the garden area making it accessible to all. A huge thank you to all that have been

involved in this project and to Christopher Lifford for managing the team. Students are delighted with their new and improved garden area.
