

Vale of Evesham School

'a specialist school for cognition and learning - enabling inclusion in the community'

Primary School P.E and School Sport Funding

Primary School's Sports Funding

In April 2013, the government announced that it is providing funding of £150 million per annum for the academic years 2013/14 and 2014/15 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to specifically improve the quality and breadth of PE and sport provision. Although, schools will have to spend the sport funding on improving their provision of PE and sport, they will have the freedom to choose how they do this. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years.

For more information [Click Here](#) to view the Department of Education's detailed policies on primary school P.E funding.

Funding at the Vale of Evesham School

At the Vale of Evesham School, we recognise the contribution of PE to the health and well-being of the students. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, behaviour, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions and providing opportunities to participate in a range of different activities.

So far we have utilised the funding by:

- running sport competitions,
- increasing participation in the school games,
- professional development of staff to raise their competence and confidence in teaching P.E
- employing local coaches to provide programmes of sport or to give students the opportunity to experience high quality coaching in different sports
- accessing local leisure facilities for weekly P.E lessons and school competitions such as sports day and the swimming gala
- purchasing specialist equipment to enhance the learning of the students in curriculum based activities

On the following pages is a more detailed breakdown of how our school utilized the Primary School's Sports Fund in 2014-15.

Total PE and sport funding this academic year: £8250
Total Spend (based on plan): £4425.91
Total carry forward to next academic year: £3824.09

Brief overview of PE and Sport provision in school (prior to September 2014)

1. Timetabled 2 hours of PE KS1 and 2 plus swimming
2. Lunch time clubs: Football, Rugby, Tennis, Multi skill, Basketball, Boccia, Kurling
3. Intra school competitions: Football, Rugby, Athletics, Swimming
4. Inter school competitions: Gymnastics, Hockey, Rowing, tag rugby, football, Boccia, Kurling
5. Club links: Aston Villa FC
6. School links: Kingfisher school, Riverside School, Newbridge short stay Secondary school, Simon De Montfort Middle School, Evesham High School, Pershore High School.
7. Swimming: KS1 and 2: 12 weeks per year at Evesham Leisure centre
8. Coaches: Dance specialist, Games specialist.

School PE and Sport development priorities based on our school context and identified pupil need:

1. To develop TA'S confidence when supporting Physical Education and sports clubs. (in house)
2. To improve equipment in Gymnastics
3. To improve pupils basic skill level across the 6 areas of PE
4. To encourage inter school competition with partner schools
5. To increase intra school competition
6. To increase access to swimming across the year in Key Stage 1
7. To improve pupils knowledge of healthy eating and healthy lifestyles
8. To offer alternative sports to KS2 classes/specialist coaching
9. To monitor and record pupils progress in the 6 areas of PE
10. To introduce a leadership programme for year 6
11. To introduce a leadership programme for KS2/lower KS3 (Tag rugby leadership programme)

| Use of funding | Provision | Success criteria (based on impact and pupil outcomes) | Cost |
|---------------------------|---|---|--|
| New Gymnastics equipment. | Key stage 1 Key stage 2 KS 2 Gymnastic selection plus (ESPO Catalogue) New light weight mats | Increase level of challenge for all children. | £1488 |
| Other equipment | KS 1 KS 2 | Improved provision. Equipment links with science, maths and ICT | £189.83 |
| Multi skills coaching | KO Sports Bupa start to move Matalan – sporting promise | Improvement of basic skills for all pupils in first school | £20 p/h per coach 2 coaches x 6 weeks £240 |
| Inter school competition | Improve competition programme for school | Increase competition programme | 1x morning every 6 weeks (Staffing costs £322.14) |
| Inter school competition | Participate in the School Games | Increase competition programme | Transport costs £140 |
| Intra school competition | Improve competition programme for school | Improve competition programme | Hire of venue £130 Transport costs £280 |
| Alternative sports | KO Sports | Disengaged pupils, improve interest in sport, increase participation. | £20 p/h per coach 2 coaches x 6 weeks £240 |

| Use of funding | Provision | Success criteria (based on impact and pupil outcomes) | Cost |
|--|--|--|---|
| Create an assessment record for PE across 6 areas | KS1 KS2 | Seeing pupils excell in certain areas, improving provision for pupils that are not succeeding in certain areas of the curriculum | Time – 2 days planning (staffing costs £214.76) |
| Introduce a leadership programme for year 6 | KS2: 4 x intervention lessons – Thursday morning | Trained playground leaders. Increased playground activity | Staffing costs (4 x half day) £214.76 |
| RFU Tag rugby leadership programme | KS2 (LOWER) | Trained RFU leaders | Coach £45 Staffing (6 weeks £322.14) |
| Gifted and talented programme of activity and leadership | KS2 | Improved understanding of PE and sport, increased competition | 12 x intervention lessons – Thursday morning (staffing costs £644.28) |

Evaluation of the impact of Sports premium funding at the Vale of Evesham School

During the course of the last two years Key Stage 1 and Key Stage 2 have benefitted from school sports premium funding, the funding was put into place by the government with the target of improving Primary Physical Education.

This document will explain how the funding has been used at the Vale of Evesham School and how it has impacted provision for Physical Education in KS1 and KS2. A large amount of the funding was spent on Gymnastics equipment which was needed to improve the schools provision for Gymnastics. The equipment that had previously been available was very old and lacked challenge for the schools more able pupils', it also had accessibility issues for all pupils. A range of equipment was purchased, the equipment can be used as stand alone pieces or can be linked together to create a circuit. Pupils are now able to use movement tables, benches, ladders, balance beams and light weight mats (helping independence when setting out and tidying away equipment). This equipment has helped to increase the level of challenge and has enabled all pupils within a class to be working on equipment at various levels during their lessons.

Some of the funding has been spent on outside agencies providing specific coaching. The coaches have worked with school to increase the range of activities pupils' access, extend their

experiences and also improve the PE departments' knowledge of those sports, working with experts in their activity. A good example is the work of KO sports within school, pupils' have accessed alternative PE lessons (Dodgeball, T-ball) and have shown an interest in doing these sports outside of school, activities like this will help create links with local sports clubs, and increase opportunities for pupils that might be less active to get involved in something different and exciting.

The PE Department has always worked hard to increase levels of competition both in school and out of school, whether this is with other mainstream schools or with other SEN schools. We have attended and competed at the Evesham School Regatta over the past few years. The event has grown year on year and pupils from Upper KS1 and KS2 participate in the event. The final competition lasts a whole day, but during the course of the school year the pupils are able to practice their bell boating skills with Andy Train as part of the schools OAA programme and in preparation for the competition.

The school has always offered swimming to KS1 and 2, with the funding pupils of all levels have also been able to receive the right level of coaching. Pupils swim over the year and gain swimming badges from Duckling to ASA awards. Pupils are then given the opportunity to compete in a swimming gala in March/April time. It is fantastic to see the confidence and skills the pupils have learned in the water.

The school has been heavily involved in the School Games initiative from the start, and has gained Silver kite marks over the past 2 years. The extra funding over the past two years has enabled pupils to attend more competitions at Level 2 and has enabled the PE department to stage more competitions at Level 1 and 2. Being able to increase time competing at these levels has meant pupils have been better prepared when competing with other schools, and this was very evident last year when three school teams went on to represent South Worcestershire at the School Games Finals in Bromsgrove. Success at this level has increased the number of pupils engaging with School Games competition and has also lead to the school having School Game leaders.

School Sports Premium funding has impacted a wide range of areas across Physical Education in First School and with the increased equipment, and knowledge of staff the funding has enabled the school to improve and increase its provision for PE.

The plan for 2015-16

Total PE and sport funding this academic year:

Carry forward from previous years: £3824.09

Total Spend (based on plan):

Brief overview of PE and Sport provision in school (prior to September 2015)

1. Timetabled 2 hours of PE KS1 and 2 plus swimming
2. Lunch time clubs: Football, Rugby, Tennis, Multi skill, Basketball, Boccia, Kurling
3. Intra school competitions: Football, Rugby, Athletics, Swimming, Kurling, Boccia
4. Inter school competitions: Gymnastics, Hockey, Rowing, tag rugby, football, Boccia, Kurling, Arrows archery, Football
5. Club links: Aston Villa FC, West Brom FC, USKO Karate
6. School links: Kingfisher school, Riverside School, Newbridge short stay Secondary school, Simon De Montfort Middle School, Evesham High School, Pershore High School
7. University links: University of Worcester
8. Swimming: KS1 and 2: All year at Evesham Leisure centre, specified assessment programme, and swimming teacher.
9. Coaches: Dance specialist, Games specialist.
10. Up to date Gymnastics equipment
11. School games performer and leadership links.

School PE and Sport development priorities based on our school context and identified pupil need:

1. To develop play on the playground in line with the SDP.
2. To create a change for life lunch time club.
3. To develop the skills of the teaching staff – Gymnastics CPD.
4. To develop a life without levels system of assessment.
5. To increase engagement of parents in their child's sporting activities.
6. To offer alternative sports/specialist coaching to KS2.
7. To improve the use of technology in PE lessons (ipads, camera's etc)

| Use of funding | Provision | Success criteria | Cost |
|--------------------------------|---|--|--|
| Develop play in line with SDP | KS1 KS2 12 Intervention lessons 2 days Sky sports living for sport training/athlete mentor visit | Young leaders engaging other pupils on playground. Resources being used on playground. Increased playground activity. Impact of sky sports athlete, increase range of skills. | Training young leaders Time 12 x 40 min Intervention sessions Resources £50 Equipment £500 Sky sports Time 2 days (staffing cost £) |
| Change for life lunchtime club | KS2 | Young leaders helping to deliver 6 weeks of adapted tennis | Staffing cost 30 mins per week x 6 weeks |
| Assessment grid | KS1 KS2 | | |

Evaluation of the impact of Sports premium funding at the Vale of Evesham School 15/16

During the course of the last year sports premium funding has been used to enhance the Physical Education and Sport experience that each pupils receives at the school.

The main part of the funding this year has been spent on developing play in line with the Schools Development Plan. A group of students were put together to become young leaders and deliver activities on the playground. Pupils had 6 weeks of training on how to lead a group, including what the attributes of a leader are and how they would expect a leader to behave. Pupils also created resource cards to be used by Teaching Assistants at play times. The leaders were able to guide play and help TA's set up games for others to play.

Funding was also spent on creating a new system for levelling Physical Education, this assessment takes the form of a group of statements and is available from T:\PE Department\Assessment record\Progress record. The statements take the form of a progressional breakdown of skills and are separated into Bronze, Silver and Gold statements. As the children learn to read and take ownership of their learning these statements also take the form of 'I can' statements. The pupils can use these in their lessons to know where they are and what they need to do next.

The use of technology has increased in PE for Upper KS2 pupils, the PE department now have two ipads, the ipads are used to take photos and to video performance. Pupils are then able to observe themselves and suggest ways of improving. This feeds into the assessment programme and pupils being able to self assess and peer assess.
