

Primary School P.E and School Sport Funding

Primary School's Sports Funding

Sept 2016 the DfE published details of the PE and Sport Premium grant for 2016 – 2017.

The allocation for schools with more than 16 pupils is **still £8000 plus £5 per pupil** in Y1 – Y6.

Local authorities must pass the premium to maintained schools within one month of receipt, and must require that maintained schools comply with the conditions set out below.

Below is the link to the DfE document:

<https://www.gov.uk/government/publications/pe-and-sport-premium-funding-conditions-for-2016-to-2017/pe-and-sport-premium-conditions-of-grant-2016-to-2017-local-authorities-and-maintained-schools>

Similar to last year, there are a few minor changes with a requirement to look at sustainability.

Purpose of the Premium?

The premium must be spent by schools on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Funding at the Vale of Evesham School

At the Vale of Evesham School, we recognise the contribution of PE to the health and well-being of the students. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, behaviour, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions and providing opportunities to participate in a range of different activities.

Our aims for this year are:

- running sport competitions inter and intra
- increasing participation in the school games,
- professional development of staff to raise their competence and confidence in teaching P.E
- employing local coaches to provide programmes of sport or to give students the opportunity to experience high quality coaching in different sports – Promoting variety and choice
- accessing local leisure facilities for weekly P.E lessons and school competitions such as sports day and the swimming gala
- purchasing specialist equipment to enhance the learning of the students in curriculum based activities
- Promote active travel
- Create active environments
- Engage student voice – upskill pupil leaders – change for life clubs
- Community links – Martial arts club
- Engage parents in a stay and play healthy eating/activity session

Academic year 2017/2018	Total fund allocated: £			
Use of funding	School focus/planned impact on pupils	Action to achieve	Planned funding	Outcomes

<p>Ensure skilled work force Autism and sport 2 day course – national autistic society</p> <p>Invest in equipment after training.</p>		<p>Autism and Sport 2 day course Training provided at a venue of your choice, inclusive of: one trainer for two full days delivered to a maximum of 20 participants</p>	<p>Cost on application</p>	<p>Upskill PE and teaching staff to increase activity and engage more Autistic pupils in sport and PE.</p>
<p>Yoga/mindfulness training</p>	<p>Increase range of activities taught. Teach pupils to help calm themselves, coping strategies.</p>	<p>Book course and run course in school open to school and other schools dependent on number of spaces 5-10 people?</p>	<p>Around £2000</p>	<p>Engage more pupils in Yoga and mindfulness, help improve mental health by being active.</p>
<p>KS1/2 Upskilling staff – the benefits of PE, mental health, behaviour.</p> <p>Developing physical literacy. Ideas to use in your lessons.</p>	<p>Improve range of High quality PE available to whole school not just KS3/4/5</p>	<p>Evening training sessions</p>	<p>£0 – delivered by Explore Sport</p>	<p>Give every child the opportunity to engage in high quality PE.</p>
<p>Bikeability https://www.bikeright.co.uk/for_instructors/instructor_training/delivery_courses/</p>	<p>Upskill a member of staff to become a level 2 bikeability instructor.</p>	<p>Book a course for member of staff</p>	<p>Circa £200</p>	<p>Give pupils across the school the chance to learn to cycle, increase active travel</p>
