ADVANCE TRUST PAY POLICY

Guidance Notes for Trust Board

- 1.1 As a matter of good personnel practice, it is recommended that the Board adopt a pay policy which covers **all staff** within their establishments. This framework covers both teaching and support staff. The actual policy adopted will need to reflect the uniqueness of each academy school.

This document is to be read in conjunction with the following:

- (i) The School Teachers' Pay and Conditions Document 2019. Supplementary guidance is also given in Section 3 of the School Teachers' Pay and Conditions Document and Guidance on School Teachers' Pay and Conditions.
- (ii) The National Pay and Conditions of Service applicable to Local Government Employees (The Green Book)
- (iii) The National Conditions of Service for Teachers (The Burgundy Book)
- (iv) The relevant local collective agreements and conditions of service.

It is recommended that each academy should have a clear pay policy, on which staff have been consulted, explaining how pay decisions are made. The policy will be kept up to date to take into account any changes. All procedures for determining pay should be consistent with the principles of public life - objectivity, openness and accountability.

The policy for all staff will explain:

- the academy school's mechanism for taking decisions on pay
- the basis on which discretionary payments will be made
- arrangements for deciding discretionary performance points – this should detail the criteria that teachers need to satisfy to be considered for a performance increase.

- 1.2 The Trust Board will make appropriate arrangements for implementation of its pay policy **and inform all staff of the policy adopted**. These arrangements will consider the possibility of occasional dissatisfaction amongst individuals and the need to provide some means of dealing with individual concerns over decisions on pay. It is recommended that each individual Governing Body establish a pay committee to carry out determinations of pay in accordance with the pay policy:

- Trust Pay Committee (for Headteacher's only) – Comprises of Executive Principal, Finance Officer and Directors of the ARC committee (excludes Headteachers)
- Trust Pay Committee (for Central Team) – Comprises directors of ARC committee and direct line managers.
- School Pay Committee (for all other school staff) – Comprises members of the Finance and Premises/Business Sub-committee of the LGB.

These committees have fully delegated powers to make pay related decisions.

The pay policy specifies that decisions will be communicated to each member of staff by the Headteacher in writing. Decisions on the pay of the Headteacher will be communicated by the Chair of the Trust Pay Committee (ARC Committee), in writing.

- 1.3 It is recommended that the Governing Body delegate the implementation of all aspects of their policy to a committee (see 1.2 above). They are also advised to delegate the application of certain aspects of the policy, especially those requiring immediate attention and communication such as the starting salary of new appointments, to the Headteacher. The Governing Body, by

adopting this policy, will have decided how it wishes to exercise its discretionary powers, so that the Headteacher will be applying the Governing Body's published intentions in individual cases.

1.4 Where an employee considers that the committee or the Headteacher, as the case may be, has not implemented the policy, that employee will be able to appeal to the pay appeals committee of the Governing Body. Where the employee disagrees with the policy itself, that is a matter of grievance with the Governors who have adopted the policy and is not within the terms of reference of the committee dealing with appeals against the decisions of those who are simply applying the policy adopted by the Governing Body.

1.5 It is recommended that:

1. The Governing Body will decide whether to specify a quorum for the committee. If a quorum is not specified all members of the committee will have to meet in order to make effective decisions.
2. The Governing Body will also decide who will act as clerk to the committee and who will ensure that reports from the committee are made to the Governing Body.
3. The pay committee will also follow the requirement that any person employed to work at an academy school shall withdraw from a meeting during discussion of their pay and that the Headteacher shall also withdraw when his or her own pay is discussed.
4. The pay committee has a duty to advise the Governing Body on the academy school's pay policy and its updating.
5. The pay committee will implement the following parts of the academy school's pay policy, as adopted by the Governing Body:
 - (a) set internal procedure and dates to provide for annual determination of the salaries of all staff in the academy school with effect from 1st September or as soon as possible thereafter;
 - (b) ensure that at or near the beginning of each school year, when reviewing performance objectives for teachers on the leadership spine in the previous school year, new objectives are agreed for the current year to be reviewed in the following autumn;
 - (c) ensure that the Headteacher has issued to teachers who are awarded Teaching and Learning Responsibility points clearly defined Job Descriptions outlining the sustained additional responsibility in the context of the academy school's staffing structure that is needed to ensure continued delivery of high quality teaching and learning and for which the teacher is made accountable;
 - (d) determining remuneration for employees undertaking additional responsibility on a temporary basis at the direction of the Governing Body or the Headteacher acting on the Governing Body's behalf;
 - (e) ensuring that records are maintained in an appropriately confidential manner, by the Clerk to the Governing Body or the Headteacher as appropriate, of all matters relating to salaries;
 - (f) communicate approved decisions to HR and payroll.

1.6 Any member of the pay appeals committee hearing appeals must not be a member of the pay committee. The pay appeals committee hearing appeals will consider any appeals against decisions taken by the committee.

PAY POLICY OF ADVANCE TRUST

FOR 1ST SEPTEMBER 2019 TO 31ST AUGUST 2020

ADOPTED BY THE TRUST BOARD

1 Introduction

- 1.1 The Trust Board recognises the range of powers which it has a duty, or discretion, to exercise in respect of the remuneration of staff. This policy sets out the principles on which the Trust Board will base its decisions and the way in which it will exercise its discretionary powers.
- 1.2 The Trust Board will ensure that all employees are made aware of the existence of this policy and have ready access to a copy of it via the academy office or the intranet. In particular it will ensure that arrangements are made to draw the attention of employees to relevant dates within the policy, to prevent any employee being disadvantaged by ignorance of the date by which an application relating to pay should be submitted. It will publish the policy through its scheme of publication in accordance with the Freedom of Information Act 2000.
- 1.3 The Trust Board delegates the implementation of this policy to the Local Governing Bodies in accordance with their terms of reference.
- 1.4 In adopting this pay policy the aim is to:
 - *maximise the quality of teaching and learning with the Trust*
 - *support the recruitment and retention of a high quality workforce*
 - *enable the Trust to recognise and reward staff appropriately for their contribution to the academy school*
 - *help to ensure that decisions on pay are managed in a fair, just and transparent way.*

2 Guiding Principles

The Trust Board recognises that for those staff, who TUPE transferred into an academy, pay and conditions will remain the same. It therefore must follow national mandatory agreements on pay and conditions of service for those staff and will take account of the overall needs of the academy when deciding how to use the available discretions.

For new staff appointed the Trust will follow national mandatory agreements on pay and conditions of service and will take account of the overall needs of the academy when deciding how to use the available discretions. The Governing bodies will ensure funds are made available to support pay decisions, in accordance with this pay policy and the academy's spending plans.

2.1 Review of Pay Policy and Consultation

- (a) The Trust Board will review its pay policy each year in order to ensure that the policy continues to comply with the law and promotes good personnel practice; and in particular to take account of pay awards, changes in national agreements governing pay, the school development plans and the school budgets.
- (b) It will undertake such reviews in consultation with staff, including academy school representatives of all the recognised unions and teachers' associations.

The Trust Board's pay policy is based on the following key principles:

2.2 The Trust Board & Individual School Development Plans

The Trust Board will ensure that the pay policy recognises and supports the aims of all development plans.

2.3 Commitment to Staff

The Trust Board recognises that the staff are the most important asset and values their commitment, support and goodwill. The Trust Board wishes to use its pay policy to assist with the recruitment and retention of staff through:

- recognising that decisions about pay should be fair, justifiable, open, objective, accountable and within agreed policies and procedures;
- maintaining a grading structure that reflects the levels of responsibility that employees undertake and provides career development opportunities;
- working to maintain a harmonious working environment.

2.4 Equal Opportunities

The Trust Board is firmly committed to equal opportunities for all employees and hence will aim to ensure that:

- any promotion opportunities which become available within the Trust and member schools should be advertised and open to all staff;
- opportunities to undertake additional responsibilities that merit (or may merit) additional remuneration will be published within the Trust;
- the principles of equal pay for work of equal value will be applied;
- staff will not be the subject of unfair discrimination in decisions on pay, promotion and remuneration;
- pay levels, enhancements and promotions will be determined within an equal opportunities context, having regard to the Equal Pay Act 1970 and other legislation - The Equality Act 2010, The Employment Rights Act 1996, The Employment Relations Act 1999 and the Employment Act 2002 and 2008, as well as The Part-Time Workers (Prevention of Less Favourable Treatment) Regulations 2000, The Fixed-Term Employees (Prevention of Less Favourable Treatment) Regulations 2002 and The Agency Workers Regulations 2010.

2.5 Legal Obligations

The Trust Board accepts that it must comply with the law, including not only general employment law but specific provisions of educational legislation.

3 **Equal Pay**

3.1 The Trust staffing establishment will be reviewed annually. This review will include consultation with union representatives. This review will cover in particular:

- the grading structure within the Trust in relation to the levels of duties and responsibilities undertaken by staff;
- salary differentials;

- the method of advertising promotion/additional responsibilities within the Trust.
- 3.2 The Trust will ensure that part-time and temporary staff have the same levels of pay as would be attached to similar responsibilities or work of equal value undertaken by full-time and permanent staff.
 - 3.3 Where the responsibilities and salary grading of one particular job are reviewed the implications for other jobs will be considered to ensure that account is taken of the impact of additional responsibilities on all staff and equal pay.
 - 3.4 The Headteacher will arrange for regular review of all Job Descriptions. (Job Descriptions will be revised as and when necessary through consultation with the individual employees.)
 - 3.5 Additional responsibilities undertaken on a temporary basis, whether for a particular task, or to cover for an absence or vacancy, may be rewarded by additional payment having regard to the level of additional responsibility undertaken.

4 Pay Reviews

The local governing bodies will review every teacher's salary annually with effect from 1st September and no later than 31st October (except in the case of the Headteacher for whom the deadline is 31st December). Each staff member will be given a written statement setting out their salary and any other financial benefits to which they are entitled. A written statement will be given after any review and where applicable will give information about the basis on which the decision was made. Reviews may take place at other times of the year to reflect any changes in circumstances or Job Description that lead to a change in the basis for calculating an individual's pay.

Where a pay determination leads or may lead to the start of a period of safeguarding, the local governing body would give the required notification as soon as possible and no later than one month after the date of the determination.

5 Performance Management/Appraisal

- 5.1 The Trust Board has determined that all members of staff are required to participate in arrangements, in accordance with policy.
- 5.2 The performance objectives set for each teacher, will be Specific, Measurable, Achievable, Realistic and Time-Bound and will be appropriate to the teacher's role and level of experience.
- 5.3 The performance objectives shall be such that, if they are achieved, they will contribute to improving the progress of pupils at the academy school.
- 5.4 Relevant information from outcomes of performance review for teachers will be used by the Headteacher and the local Governing Bodies (or committee of Governing Body) in taking decisions, and in advising those responsible for taking decisions, on the use of any discretion in relation to pay.
- 5.5 The Trust has adopted an appraisal scheme for support staff after consultation with those staff concerned and their representatives.

6 Pay Progression based on Performance

- 6.1 In this Trust all teachers can expect to receive regular, constructive feedback on their performance and are subject to annual performance management that recognises their strengths, informs plans for their future development, and helps to enhance their professional practice. The arrangements for teachers are set out in the Performance Management & Professional Development policy.
- 6.2 Decisions regarding pay progression will be made with reference to the teachers' appraisal reports and the pay recommendations they contain. In the case of NQTs, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process. It will be possible for a 'no progression' determination to be made without recourse to the capability procedure.
- 6.3 To be fair and transparent, assessments of performance will be properly rooted in evidence. The Trust will ensure fairness by ensuring that objectives and assessments are consistent and in line with outcomes from our quality assurance processes.
- 6.4 The evidence we will use will include self-assessment, peer review, tracking pupil progress, lesson observations.
- 6.5 Teachers' appraisal reports will contain pay recommendations. Final decisions about whether or not to accept a pay recommendation will be made by the local Governing Body, having regard to the appraisal report and taking into account advice from the Headteacher. The Governing body will ensure that it makes funds available to support pay decisions, in accordance with this pay policy and the academy school's spending plans.
- 6.6 In Trust judgements of performance will be properly rooted in evidence and made against the extent to which teachers have met their individual objectives and assessed as meeting the *relevant Teachers' Standards*. As a teacher moves up the Main Pay Range, this evidence should show:
- an increasing positive impact on pupil progress
 - an increasing impact on wider outcomes for pupils
 - improvements in specific elements of practice identified to the teacher, e.g. behaviour management or lesson planning
 - an increasing contribution to the work of the academy school
 - an increasing impact on the effectiveness of staff and colleagues.
- 6.7 The pay committee will be advised by the Headteacher in making all such decisions. Any increase (i.e. no movement, one point, more than one point) will be clearly attributable to the performance of the teacher in question. The pay committee will be able to justify its decisions.
- 6.8 Further information, including sources of evidence is contained in the academy school's appraisal policy.

7 Salaries of Classroom Teachers

- 7.1 The personnel committee will determine the salary for individual teachers on appointment or promotion in accordance with the current School Teachers' Pay and Conditions Document and this pay policy, and the recommendations of the Headteacher.
- 7.2 As required by the School Teachers' Pay and Conditions Document the committee will also determine the salary of each teacher annually and ensure that the teachers are notified in writing of the outcome, including the details specified in the Document.
- 7.3 The committee will have a procedure and timetable for the annual determination of salaries which is outlined in this Pay policy. This will be published to teaching staff each year.

7.4 In determining the salaries of teachers the committee will follow the mandatory provisions of the School Teachers' Pay and Conditions Document and will exercise its discretionary powers within the parameters of that Document as set out in Appendix I, guidance issued by the DFE.

7.5 *September 2019 pay award

7.51 The Trust Board will apply the following increase to Pay Ranges:

Main Pay Range

2.75 per cent increase to the reference points of the Trust's Main Pay Range

Upper Pay Range

2.75 per cent increase to all reference points on the Upper Pay Range

Unqualified Teacher Pay Range

2.75 per cent increase to all reference points on the Unqualified Teacher Range

Leading Practitioners Pay Range

2.75 per cent increase to the Leading Practitioners Pay Range in this Trust

Headteacher's Pay Range

2.75 per cent increase to all reference points on the Headteacher's Pay Range in this Trust

Deputy Headteacher's Pay Range

2.75 per cent increase to all reference points on the Deputy Headteacher's Pay Range in this Trust

Assistant Headteacher's Pay Range

2.75 per cent increase to all reference points on the Assistant Headteacher's Pay Range in this Trust

7.52 The Governing Body/Trust Board will apply a 2.75 per cent increase to the following Allowances:

- Teaching and Learning Responsibility Payments (see appendix I)
- Special Education Needs Allowances (see appendix I)

8 Pay Determination on Appointment

8.1 **Pay determinations for newly appointed Main Pay Range teachers and newly appointed Upper Pay Range teachers.**

The Trust Board/Governing Body will determine the pay range for a vacancy prior to advertising it.

In making such determinations, they will take into account a range of factors, including - where relevant - for example:

- The nature and requirements of the post
- The specialist knowledge and skills and required for the post
- The experience required to undertake the specific duties of the post
- Market conditions
- The wider academy school context.

8.2 **The Trust Board recognises that under the School Teachers' Pay & Conditions Document there is no longer an assumption that a teacher will be paid at the same rate as they were being paid in a previous school (Portability).**

When determining the starting pay for a newly appointed classroom teacher on to the Main Pay Range or newly appointed classroom teacher on the Upper Pay Range, the Trust Board may take into consideration the previous point the teacher was paid on the Main Pay Range (Portability) and will also consider awarding pay scale points as outlined in Appendix I.

8.3 Main Pay Range effective from 1st September 2019

The pay committee will use reference points. Therefore the pay scale for teachers on the Main Pay Range in this academy Trust is:

Minimum point	1	£24,373
Reference point	2	£26,041
Reference point	3	£28,133
Reference point	4	£30,299
Reference point	5	£32,686
Reference point	6	£35,619*

* reference point 6 is lower than STPCD maxima due to adoption of lower 6a rate in prior years.

9 Movement up the Main Pay Range

9.1 To move up the main pay range, one annual point at a time, progression will be according to an individual teacher's performance and will be on the following basis:

- Newly-qualified teachers (NQT's) have no automatic entitlement to pay progression on completion of induction. They will only be eligible for consideration of progression if they have continuous service as a teacher for **at least 26 weeks**.
- Teachers will be eligible for, and would expect to receive, a pay increase of one annual point if they meet all their objectives and are assessed as fully meeting the *relevant Teachers' Standards* (See appendix VIII Assessment Form - Teachers' Standards).
- Teachers will be considered by the Governing Body for a pay increase of one annual point if they have met or made significant progress towards meeting their objectives and are assessed as meeting the *relevant Teachers' Standards*.
- If the evidence shows that a teacher has exceptional performance, the Governing Body will consider the award of enhanced pay progression of one annual point, or two annual points, if a teacher *exceeds all their objectives and are assessed as fully meeting the relevant Teachers' Standards*.

9.2 The pro forma provided in Appendix IV will be used for recommending pay progression on the Main Pay Range to the Pay Committee.

10 Movement to the Upper Pay Range

10.1 Pay determinations effective from 1st September 2019

The pay committee will determine whether there should be any movement on the Upper Pay Range. In making such a determination, it will take into account:

- paragraph 15 of the School Teachers' Pay & Conditions Document 2019;

- the evidence base, which should show that the teacher has had two successful appraisals, in an Advance Trust academy, and has met or made significant progress towards objectives;
- evidence that the teacher has maintained the criteria set out in paragraph 15, of the School Teachers' Pay & Conditions Document 2019 namely that:
the teacher is highly competent in all elements of the relevant standards; (see Appendix VIII Assessment Form - Teachers' Standards) and that the teacher's achievements and contribution to the academy school are substantial and sustained. The meaning of these criteria is set out in paragraph 10.3 "The Assessment".

10.2 Applications and Evidence to be Paid on the Upper Pay Range from 1st September 2019

Any qualified teacher can apply to be paid on the Upper Pay Range and **any such application must be assessed in line with this policy**. It is the responsibility of the teacher to decide whether or not they wish to apply to be paid on the upper pay range. The Trust requires a minimum of 3 years qualified teacher experience; thus an applicant has already reached Main scale point 3 before submitting an application e.g. moving to main scale 3 effective on 1 September 2019 would be eligible to apply for UPS1 effective, subject to approval and meeting criteria, the following September 2020.

A teacher may submit only one application in each academic year, ideally no later than 1 July in the summer term to enable Headteachers to commence moderation and assessment processes to inform governing bodies in September. Although it is recognised that 31 August is the STPCD advised final submission date.

If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the Upper Pay Range in that school(s). **The Trust will not be bound by any pay decision made by another school.**

All applications should include the results of appraisals under the Appraisal Regulations 2012, including any recommendation on pay. Where such information is not applicable or available, a written statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant.

In order for the assessment to be robust and transparent, it will be an evidence-based process only. Teachers therefore should ensure that they build a mainly paper evidence base to support their application.

Those teachers who are not subject to the Appraisal Regulations 2012, or who have been absent, through sickness, disability or maternity, may cite written evidence from a 3 year period before the date of application, from this academy school and other Trust schools in support of their application.

10.3 Process and Procedures

One application may be submitted annually at any point. The closing date for applications is normally 31 August each year (for progression with effect from 1 September of the following year); however, exceptions will be made in particular circumstances, e.g. those teachers who are on maternity leave or who are currently on sick leave. The process for applications is:

- Complete the Trust application process using the application form in Appendix VI
- Submit the application form and supporting evidence to the Headteacher by the cut off date of 31 August 2020 or earlier as mentioned in 10.2.
- If the assessor is not the Headteacher you will receive notification of the name of the assessor of your application within 5 working days.
- The assessor will assess the application, which will include a recommendation to the pay committee of the relevant body.

- The application, evidence and recommendation will be passed to the Headteacher for moderation purposes, if the Headteacher is not the assessor.
- The Trust school Headteachers will moderate across all applications alongside the Executive Principal.
- The pay committee will make the final decision, advised by the Headteacher.
- Teachers will receive written notification of the outcome of their application within 10 working days. Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's performance did not satisfy the relevant criteria set out in this policy (see 'Assessment' below).
- If requested, oral feedback which will be provided by the assessor. Oral feedback will be given within 10 school working days of the date of notification of the outcome of the application. Feedback will be given in a positive and encouraging environment and will include advice and support on areas for improvement in order to meet the relevant criteria.
- Successful applicants will move to the minimum of the Upper Pay Range on 1st September of that year.
- Unsuccessful applicants can appeal the decision. The appeals process is set out in Appendix III of this pay policy.

10.4 The Assessment:

The teacher will be required to meet the criteria set out in the School Teachers' Pay and Conditions Document, namely that:

- the teacher is highly competent in all elements of the relevant standards; (See Appendix VIII Assessment Form - Teachers' Standards)
- and**
- the teacher's achievements and contribution to the academy school are substantial and sustained.

In this Trust, defined as:

"highly competent":

the teacher's performance is assessed as demonstrating excellent depth and breadth of knowledge, skill and understanding of the Teachers' Standards (See Appendix VIII Assessment Form - Teachers' Standards) in the particular role they are fulfilling and the context in which they are working.

(e.g. performance which is good enough to fulfill wider professional responsibilities, and develop effective professional relations with colleagues, giving them advice and demonstrating to them effective teaching practice and how to make a positive contribution to the wider life and ethos of the academy school, in order to help them meet the relevant standards and develop their teaching practice).

"substantial":

the teacher's achievements and contribution to the academy school are significant, not just in raising standards of teaching and learning in their own classroom, or with their own groups of children, but also in making a significant wider contribution to school improvement, which impacts on pupil progress and the effectiveness of staff and colleagues.

(e.g. of real importance, validity or value to the academy school; play a critical role in the life of the academy school; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and use the outcomes effectively to improve pupils' learning).

"sustained":

the **teacher must have had two consecutive successful appraisal reports in this academy school or school within the Advance Trust MAT** and have made good progress towards their objectives during this period (see exceptions outlined in paragraph 10.2). They will have been expected to have shown that their teaching expertise has grown over the relevant period and is consistently good to outstanding.

Further information, including information on sources of evidence is contained within the academy school's appraisal policy.

10.5 **The pro forma provided in Appendix VI will be used for recommending movement to the Upper Pay Range to the School's Finance and Premises/Business Committee.**

11 Pay Progression on the Upper Pay Range

11.1 The pay committee will be advised by the Headteacher in making all such decisions. Pay progression on the Upper Pay Range will be clearly attributable to the performance of the individual teacher. The pay committee will be able to objectively justify its decisions.

11.2 Where it is clear that the evidence shows the teacher has made good progress, i.e. they continue to maintain the criteria set out in paragraph 10.4 "The Assessment", and have met or made significant progress towards their objectives, the teacher will move to the midpoint on the Upper Pay Range; or if already on the mid-point, will move to the maximum point of the Upper Pay Range.

11.3 *Where it is clear from the evidence that the teacher's performance is exceptional, in relation to the criteria set out in paragraph 10.4 "The Assessment", and where the teacher has met or exceeded their objectives, the pay committee will use its flexibility to decide on enhanced progression from the minimum to the maximum of the Upper Pay Range.*

11.4 Upper Pay Range effective from 1st September 2019

The pay committee will use reference points. Therefore the pay scale for Upper Pay Range in this academy school is:

Minimum point	£37,654
Midpoint	£39,050
Maximum point	£40,490

11.5 The pro forma provided in Appendix VII will be used for recommending pay progression on the Upper Pay Range to the Pay Committee. **A teacher must have had two consecutive successful appraisal reports, in an Advance Trust academy, and have fully met their objectives during this period – see 10.4.**

12 Leading Practitioner Posts

The Trust Board will take account of the School Teachers' Pay and Conditions document 2019 when determining the role of leading practitioner in an academy school. Additional duties will be set out in the job description of the leading practitioner and will include:

- a leadership role in developing, implementing and evaluating policies and practices in the academy school that contribute to school improvement;
- the improvement of teaching within school [*and within the wider school community*] which impact significantly on pupil progress;
- improving the effectiveness of staff and colleagues, particularly in relation to specific areas such as *formative and summative assessment*.

12.1 Pay on appointment and Leading Practitioners Pay Range from 1st September 2019

The pay committee will determine a pay range (currently L6-L10 from minima to maxima) for each leading practitioner post in accordance with paragraph 19 of the Document; and paragraphs 33 - 37 (page 69-70) of the section 3 guidance.

12.2 Pay determinations with effect from 1st September 2019

The Headteacher will agree appraisal objectives for the leading practitioner.

The pay committee shall have regard to the results of the leading practitioner's appraisal, including the pay recommendation, when exercising any discretion in relation to their pay, in accordance with paragraph 19 of the Document.

12.3 The pay committee will take account of other evidence. The evidence should show the leading practitioner:

- has met or made significant progress towards their objectives;
- is an exemplar of teaching skills, which should impact significantly on pupil progress, within school and within the wider school community, if relevant;
- has made a substantial impact on the effectiveness of staff and colleagues, including any specific elements of practice that have been highlighted as in need of improvement;
- is highly competent in all aspects of the Teachers' Standards;
- has shown strong leadership in developing, implementing and evaluating policies and practice in their workplace that contribute to school improvement.
- "Highly competent", "substantial" are defined in paragraph 10.4 "The Assessment".
- The pay committee will be advised by the Headteacher in making all such decisions.

12.4 The pay committee will determine pay progression such that the amount is clearly attributable to the performance of the leading practitioner. The pay committee will be able to objectively justify its decision.

12.5 *Where it is clear from the evidence that the teacher's performance is exceptional, the pay committee may award enhanced pay progression of two points.*

Further information, including sources of evidence is contained within the academy school's appraisal policy.

13 Unqualified Teachers

13.1 Pay on appointment

The pay committee will pay any unqualified teacher in accordance with the provisions of the School Teachers' Pay and Conditions Document. The pay committee will determine where a newly appointed unqualified teacher will enter the scale, having regard to any qualifications or experience s/he may have, which they consider to be of value. The pay committee will consider whether it wishes to pay an additional allowance outlined in Appendix I of the Pay Policy.

13.2 Unqualified Teacher Pay Range from 1st September 2019

The pay range for Executive Principal of Advance Trust is based on the calculation of the total number of pupil units across all schools, which will give a group size for the multi academy trust.

17.2 Temporary Arrangement

- iii Where this is not possible, or where the employee continues to be dissatisfied, he/she may follow a formal reconsideration and appeal process.

Reconsideration

- iv The employee should set down in writing the grounds for questioning the pay decision and send it to the Pay Committee who made the determination (through the Headteacher or Clerk to Governors), within ten working days of the notification of the decision being contested or of the outcome of the discussion referred to above.
- v The Pay Committee should aim to provide a hearing within 10 working days of receipt of the written grounds for questioning the pay decision and give the employee an opportunity to make representations in person and to be accompanied by a colleague or union representative. Any supporting documentation provided by either the employee or the Headteacher to be considered at the hearing, should be available to the Committee at least 5 working days prior to the hearing date. Following the hearing the employee should be informed in writing of the decision and the right to appeal. The process to be followed is outlined in Appendix II.

Part 2: Upper Pay Range Standards

Teacher's action

All those wishing to be paid on the Upper Pay Range will need to meet the Teachers' Standards and the Upper Pay Range Standards (set out on page 16 of this form).

Please provide succinct examples, from the last 2 years, of your achievements and expertise in relation to each of the standards. You are not required to produce separate examples for each standard, although nothing prevents you from doing so. Similarly, you may use the same example more than once if you feel it is appropriate. It is important, however, that the evidence you provide must, when taken as a whole, show that you meet all the Upper Pay Range Standards. **Once you have completed all relevant parts of the form and signed the declaration on page 13, you will need to pass it to your head teacher.**

Head teacher's action

Check that the teacher is eligible to apply (see page 2).

- Before assessing whether the teacher meets the Upper Pay Range Standards the head teacher must first be satisfied that the teacher meets the Teachers' Standards having regard to the evidence cited in the application. If the Teachers' Standards are not met, the request for assessment must be rejected at this point and the form returned to the teacher with written feedback.

If the Teachers' Standards are met the head teacher then goes on to assess whether the teacher meets the Upper Pay Range Standards (set out on page 16 of this form), again, having regard to the evidence cited in the application.

Assess each Upper Pay Range standard making it clear whether it is met/not yet met (see pages 5-12).

Complete the 'head teacher's comments' boxes giving an evidence-based assessment (see pages 5-12).

Make an overall judgement on whether the Upper Pay Range Standards are met/not yet met (see page 15).

Complete the 'head teacher's statement' (see pages 14-15).

Sign, date and copy the form (see page 15).

Promptly inform the governing body of this decision, or the LA in the case of an unattached teacher and notifying the appropriate body that deals with payroll matters for the school.

Inform the teacher of the outcome within 20 working days of informing the governing body/LA service of this decision.

Return the original form to the teacher with appropriate feedback.

Assessment Form – Teachers' Standards

When assessing the teachers' performance against each of the Teachers' Standards the appraiser will assess qualified teachers against the standards **to a level that is consistent with what should reasonably be expected of a teacher in the relevant role and context within which the teacher is practising and at the relevant stage of their career** e.g. new or inexperienced teacher, experienced teacher, teacher on the Upper Pay Range

As a teacher moves up the Main Pay Range, the evidence and assessment should show:

- an increasing positive impact on pupil progress
- an increasing impact on wider outcomes for pupils
- improvements in specific elements of practice identified to the teacher, e.g. behaviour management or lesson planning
- an increasing contribution to the work of the academy school
- an increasing impact on the effectiveness of staff and colleagues

Personal and Professional Conduct

A teacher is expected to demonstrate consistently high standards of personal and professional conduct. The following statements define the behaviour and attitudes which set the required standard for conduct throughout a teacher's career.

- Teachers uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school, by:
 - treating pupils with dignity, building relationships rooted in mutual respect, and at all times observing proper boundaries appropriate to a teacher's professional position
 - having regard for the need to safeguard pupils' well-being, in accordance with statutory provisions
 - showing tolerance of and respect for the rights of others
 - not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs
 - ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.
- Teachers must have proper and professional regard for the ethos, policies and practices of the academy school in which they teach, and maintain high standards in their own attendance and punctuality.
- Teachers must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.

Salaries of Headteachers, Head of School, Deputy Headteachers and, Assistant Headteachers

New appointments – the three-stage process

The Governing Body will adopt the following three-stage process when setting the pay for **new appointments** to headship or the wider leadership team.

Stage 1 – Define the role and determine the Headteacher group

Stage 2 – Set the indicative pay range

Stage 3 – Decide the starting salary and individual pay range

All decisions and the reasons for them will be documented at every stage. All pay decisions will be made on objective criteria so that there is no discriminatory effect on any group of teachers with a particular protected characteristic under the Equality Act 2010.

Stage 1 – Define the role and determine the Headteacher group

At this stage the Governing Body will define the job and identify the broad pay range as a provisional guide to determining an appropriate level of pay.

The Governing Body will define and set out the specific role, **responsibilities and accountabilities** of the post as well as the **skills and relevant competences** required.

For the Headteacher's post the Governing Body will assign the school to a Headteacher group which will determine the appropriate broad pay range. This will be done by calculating the total unit score for the school in accordance with paragraphs 5-8 of the STPCD.

For other leadership group posts, the Governing Body will consider how the role fits within the wider leadership structure of the school. The pay range for a deputy or assistant Headteacher will not overlap the Headteacher's pay range.

Stage 2 – Set the indicative pay range

At this stage the Governing Body will consider the complexity and challenge of the role in the particular context of the school and make a judgment on pay in the light of this.

The Governing Body will ensure that current discretionary payments, such as allowances for recruitment and retention, permanent additional responsibilities (e.g. the provision of initial teacher training (ITT)), and long-term provision to other schools, will be captured at this stage.

For the Headteacher's post the Governing Body will normally expect that the total unit score fully captures the complexity of the Headteacher role and that the relevant broad pay range accommodates appropriate levels of reward. The Governing Body will determine whether the indicative pay range should start at the minimum of the Headteacher group or whether it will start at a higher level because of the level of challenge of the post.

Pay Range for Headteachers 2019 (STPCD Limits)	
Group	(Discretionary Reference Points)
1	(6 – 18) £46,457 - £61,808
2	(8 – 21) £48,808 - £66,517

7	(24 – 39) £72,306 - £103,334
8	(28 – 43) £79,748 - £114,060

Note:

The STPCD sets out the above limits on Headteachers' pay for each of the eight school groups. These apply unless the Governing Body has exercised its discretion, in accordance with the STPCD, to exceed these limits. Headteachers' who were at the maximum of their individual pay ranges last year and whose pay point coincided with the maximum of the relevant school group range may have had their pay frozen last year. Where this is the case, the maximum point of their individual pay range from September 2019, assuming no other adjustments are being made, will be as set out above.

		Maximum 43	£114,060

Establishing a pay range above the school's Headteacher group

The expectation is that in most cases the pay range will be within the limits of the Headteacher group. However, in some cases, e.g. where there may be significant difficulty in making an appointment or there is a need to incentivise a head to take on responsibility for a very large school or to lead multiple large schools, it may be appropriate to consider extending the individual pay range.

If the Trust Board consider that circumstances warrant it, they can set the indicative pay range with a **maximum of up to 25%** above the top of the relevant Headteacher group range.

It should be wholly exceptional for the maximum of the pay range to be more than an additional 25% higher than the maximum of the Headteacher group. If it is considered that there are exceptional circumstances that warrant an extension beyond that limit, a business case would be required. The Governing Body will need to seek external independent advice from an appropriate person or body who can consider whether it is justifiable to exceed the limit in a particular case. There must be a clear audit trail for any advice given and a full and accurate record of all decisions made and the reasoning behind them.

For the Headteacher post the Governing Body will consider the following additional factors that suggest the indicative pay range should be higher than would be provided by the basic calculation in stage 1.

The following represent some examples of the additional factors that the Trust Board/Governing Body may wish to consider, but these are for **guidance only and are not intended to provide an exhaustive list**:

- **the context and challenge arising from pupils needs** e.g. if there is a high level of deprivation in the community (Free School Meal (FSM) entitlement and/or English as an Additional Language indicators may be relevant) or there are high numbers of looked after children or children with special needs or there is a high level of in-year churn/pupil mobility, and this affects the challenge in relation to improving outcomes;
- a **high degree of complexity and challenge** e.g. accountability for multiple schools or managing across several dispersed sites, which goes significantly beyond that expected of any Headteacher of similar-sized school(s) and is not already reflected in the total unit score used at stage 1;
- **additional accountability not reflected in stage 1** e.g. leading a teaching school alliance;
- factors that may impede the school's ability to attract a field of appropriately qualified and experienced leadership candidates, e.g. location; specialism; level of support from the wider leadership team.

The Trust Board/Governing Body should take in to consideration the following when determining the pay range:

- Does the total unit score provide an appropriate pay range for the job?
- Are there any additional factors that need to be taken into account in determining the indicative pay range?
- Is it appropriate to apply more weight to some factors than others, e.g. the level of social challenge; managing more than one school; difficulty in making a suitable

appointment. For those factors which are not expected to persist, such as temporary responsibility for an additional school, these should be reflected through an allowance rather than consolidated into the indicative pay range.

- Is the role so challenging that the pay range should extend above the maximum of the Headteacher group for the school?
- Is there any relevant benchmarking information available that would support your judgement on whether the pay range is justifiable?
- Do you require any further assistance or support from Human Resources in exercising your judgements e.g. provision of benchmarking information?
- Does the pay range provide scope for performance-related progression over time?
- What is the appropriate differential between the pay ranges for different leadership posts?
- Have the equality implications been considered of any decisions over differentials.

At the end of this stage the Trust Board/Governing Body should decide where in the broad range to position the indicative pay range and set this out clearly when advertising the job. The Trust Board/Governing Body should make an **overall judgement** on the position and breadth of range, allowing appropriate scope for performance-related progression over time, clearly linked to school improvement priorities and outcomes.

For other leadership roles the process is broadly the same. The Trust Board/Governing Body will wish to consider how the other leadership roles should be set in accordance with the level set for the Headteacher and ensure that there is sufficient scope for progression.

There should be a clear audit trail for all decisions made and the reasoning behind them.

Stage 3 – Deciding the starting salary and individual pay range

The Governing Body will set the starting salary in the light of candidate-specific factors, such as the extent to which the candidate meets the specific requirements of the post. The link below is for maintained schools (not academies) but may be a useful reference tool.

New Pay Spine 1 April 2019

The NJC pay agreement for 2019-20 included the introduction of a new pay spine on 1 April 2019 that is based on the following:

- A bottom rate of £9.00 per hour (£17,364) on new Spinal Column Point (SCP)1 (equivalent to old SCPs 6 & 7)
- 'Pairing off' old SCPs 6-17 incl. to create new SCPs 1-6 incl.
- Equal steps of 2.0% between each new SCPs 1 to 22 incl. (equivalent to old SCPs 6-28 incl.)
- By creating equal steps between these pay points, new SCPs 10, 13, 16, 18 and 21 are generated to which no old SCPs will assimilate. This means that in some organisations the current number of pay points in a grade might change.
- On new SCPs 23 and above (equivalent to old SCPs 29 and above), 2.0% increase on 2019 rate

CARETAKERS' LETTINGS AGREEMENT

LETTINGS CUSTODIAN DUTIES

(For the purpose of these notes, the words 'Lettings Custodian' refer to any individual employee who undertakes lettings duties either paid or voluntarily).

A. Before the Letting

- A1. The Lettings Custodian must be satisfied that approval for the letting has been given by the Headteacher, for instance, by confirming that the relevant lettings application form has been completed by the hirer.
- A2. The Lettings Custodian must also ensure that 'double bookings' are avoided, bringing such incidents to the attention of the Headteacher, as soon as possible.
- A3. The accommodation requested must be made available to the hirer, at the time agreed. If chairs have been requested, these too should be made ready for use, unless it has been agreed with the hirer that they will set out and put away the chairs themselves.
- A4. The Lettings Custodian should check the accommodation to ensure that there is no damage/theft to the accommodation/equipment prior to the letting taking place.
- A5. Unless prior agreement has been reached, hirers will not generally be allowed to enter the premises before the stipulated time. If such agreements have been made, the Lettings Custodian should note the exact time of entry.

B. During the Letting

- B1. The Lettings Custodian is not required to remain on site for the duration of the letting, unless prior approval from the Headteacher has been sought.

C. After the Letting

- C1. The Lettings Custodian must ensure that the facilities have been left in a clean and tidy state by the hirer, ready for use by the school. Should the premises not be left in a satisfactory state by the hirer, then the Lettings Custodian may claim additional cleaning time, the cost of which will be passed on to the hirer.
- C2. The Lettings Custodian should ensure that all lights are switched off, windows/doors locked, the premises are totally vacated and secure (including the activation of security systems, where appropriate) after the letting. The Lettings Custodian should also check the school accommodation/equipment again to ensure that no theft/damage has occurred during the letting.

- C3. If the hirer is still on the premises beyond the stipulated expiry time of the letting, the Lettings Custodian may claim up to the actual time the hirer vacated the premises.
- C4. The Lettings Custodian must also ensure that the premises were used by the stipulated hirer and that sub-letting of the premises has not occurred.
- C5. Claims for payment to Lettings Custodians for lettings' duties must be submitted to the Children's Services Directorate's, Staffing, Salaries and Appointments Section, using Form SWA/LET, on a monthly basis.

D. Accommodation

- D1. All rooms/accommodation that have been used by the hirer must be stated on Form SWA/LET (mentioned in C5 herein), unless they are used as a 'corridor', i.e. to gain access from the outside to a particular room.
- D2. Schools are entitled to insist that changing rooms are used by clubs whose members change on the site.
- D3. If the hirer wishes to use additional accommodation to that previously stipulated, the hirer should be made aware that an additional fee will be charged as a result, and the Lettings Custodian must inform the Headteacher accordingly.

E. Cancellation

- E1. The conditions for the Hire of County Council Premises (Condition No. 35), refers to cancellation of bookings and requests that hirers must give at least 3 clear days written notice for the cancellation of a single booking and at least 1 month's written notice for the cancellation of a regular booking.

If a cancellation is made without adequate notice, the Lettings Custodian may claim for the letting as usual and any subsequent costs will be passed on to the hirer. Such incidents must be brought to the attention of the Headteacher immediately.

PAYMENT FOR LETTING CUSTODIAN DUTIES

When the school premises are used outside designated working time and the Caretaker has to carry out additional duties as described in Appendix 6, he/she should be rewarded for the performance of those duties.

There are two rates of payment, the first based on the number of units of accommodation used in circumstances when the Caretaker has to open and close the premises but is not required to be on duty, and the second where the Caretaker has to be on duty throughout the period of hire. The decision as to whether the Caretaker is required to be on duty during the letting is a matter for the Headteacher. Payments are made **either** under Table 'A' **or** Table 'B', with each operating independently.
