

Vale of Evesham Safeguarding Team

It is our duty to pass on concerns raised about students in our school to the appropriate agencies

We will, where possible, work in partnership with parents/carers

SAFEGUARDING IS EVERYONE'S RESPONSIBILITY

Concerns about the safety or wellbeing of a child must be reported immediately through 'CPOMS'.

'CPOMS' is the schools online safeguarding available on every staff computer. The safeguarding team will receive a notification and will take the appropriate action. If you don't have access to CPOMS please ask at reception for an F1 form.

DO NOT DELAY SHARING YOUR CONCERN
