

Primary School P.E and School Sport Funding

Note: Due to Covid, some of the activities listed may be affected. These activities will take place if permitted and safe to do so, we will follow government guidance at all times. If an activity is cancelled/affected by the current circumstances we will move the activity into another term/or even the next academic year.

Primary School's Sports Funding

The allocation for schools with more than 17 pupils is **increasing to £16000 plus £10 per pupil** in Y1 – Y6.

Local authorities must pass the premium to maintained schools within one month of receipt, and must require that maintained schools comply with the conditions set out below.

Below is the link to the DfE document:

Activities should be sustainable and some activities are a continuation of the previous year to ensure success.

Purpose of the Premium?

The premium must be spent by schools on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

<https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- develop or add to the PE, physical activity and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can use the premium to secure improvements in the following indicators:

- the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport

- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

For example, you can use your funding to:

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the [School Games](#)
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- [raise attainment in primary school swimming](#) to meet requirements of the national curriculum before the end of key stage 2
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

Funding at the Vale of Evesham School

At the Vale of Evesham School, we recognise the contribution of PE to the health and well-being of the students. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, behaviour, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions and providing opportunities to participate in a range of different activities.

Our aims for this year are::

- running sport competitions inter and intra
- Increasing and improving the equipment available for adapted sport, PE and play

- increasing participation in the school games
- Set up a competition with other schools
- Increase time spent on PE with active play to increase overall weekly time of pupils doing PE, sport and play activities. – Daily mile
- professional development of First school staff to raise their competence and confidence in teaching P.E
- employing local coaches to provide programmes of sport or to give students the opportunity to experience high quality coaching in different sports – Promoting variety and choice – access for all
- accessing local leisure facilities for weekly P.E lessons and school competitions such as sports day and the swimming gala
- purchasing specialist equipment to enhance the learning of the students in curriculum based activities
- Create active environments – playtime focus
- Engage student voice – upskill pupil leaders – change for life clubs
- Community links – Pershore rugby Club
- Accessible to all swimming and water based activities
- Increase number of pupils from KS2 accessing overnight trips
- Upskill staff on Rebound and Fitness room training.

Academic year 2020/2021	Total fund allocated: £16,710			
Use of funding	School focus/planned impact on pupils	Action to achieve	Planned funding	Outcomes
Swimming Covid – no swimming currently	Regular swimming lessons Hydro sessions	Book pool, swim teacher and hydro for pupils that will not access swimming	£5000	Engage every child in KS1 and 2 in a water based activity, gain confidence in water. Some will learn to swim.
Provide a range of physical activities during lunch time and play time.	<ul style="list-style-type: none"> • Active break times • Pupils want to go out to play and be active • Increase range of activities on offer by bringing in an outside 	<ul style="list-style-type: none"> • Daily mile – sign classes up to complete daily mile around the world challenge. • Investment in play equipment to promote active 	£1100	Increased participation Active playtimes.
