Good Things

Inspired by poetry of Jan Dean, written by students in KS4.

At day's end I remember good things

Walk to school, time to think,

Cripsy leaves under my feet

Day dreaming

Doing physio in the morning

It's a chore, but it makes me happy

Get it done with a laugh

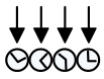
Titan's curse or Monster's of the Sea

Will it be another cliff hanger?

ICT, BTEC



I always think I have learned everything about computers

But I haven't

It keeps me on my toes

Break time you get to play

Doing something fun with your friends is fun

PE, any game

Listening to music

It is interesting and relaxing

Hot dinner at 12 O'clock

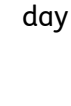
Pizza, sausage, potato or fish fingers

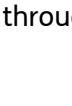
It's all good when it's followed by cheesecake

Seeing my friends

They can annoy me big time, but they make my day

Going home is fun to do





At 3 O'clock when day is through

1

One day closer

To two days off.
